SRI MEDHAVI JUNIOR COLLEGE

HASTHINAPURAM

Where quality education matters most

Education : The Hallmark of Success

P R O S P E C T U S

S P E C I A L

You've just opened the brochure that will guide you through the first steps to become the person you want to be. It will give you a detailed view of Sri Medhavi Junior College student experience and specially, what life is like as part of the different curricula we offer.

By the time you're finished reading, you'll be one step closer to becoming a part of the dynamic learning community we are so proud of.

To be a premier Academic institution striving continuously for excellence in Technical Education and technological service to the Nation.

VISION To create a society of progressive, thinking individuals who will contribute to the intellectual development of the global Community by initiating positive changes in the social fabric, in the Technology & Administration of our life & businesses.

MISSION To provide the finest quality education that will evolve in step with changes that takes place globally in the fields of education, science, commerce and arts. To provide educational facilities that rank on par with those offered in the world's finest educational institutions.

KOMANDLA SRINU

Chairman

Eminent Educationalist and
Mathematics Expert
IIT-JEE Faculty (Ex-Narayana, Vikas
Sri Chaitanya Faculty)
24 Years of rich experience in
Teaching Mathematics.

Chairman's Message

Thousands of students have passed out from our institution and are now flourishing in various walks of life. It gives us great pleasure when we hear stories of success from our students belonging to the past batches. We strongly believe in the universal fact that whatever a student may become in the future depends on the initial college years. In other words, the future lives of each and every child is sculptured during the childhood education.

My advice to the college students to achieve success in life is: "Never ever close any of these five things. THE EYES, THE MIND, THE HEART, THE FISTS AND THE BOOK.

Best of Luck.
God Bless you all.

"Education is one thing no one can take away from you" - Etin Nordegren

J.SRINIVAS REDDY

Principal

M.Sc Maths
25 years of Experience

Principal's Message

I am honoured and feel very privileged to be the Principal of Sri Medhavi Junior College. I am always excited and look forward to working with our students, staff and parents to make Sri Medhavi Junior College the best college. EDUCATION is based on the four pillars of Learning to Be, Learning to Know Each other, Learning to Do, Learning to Live and share together. The college is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children.

Children need a supportive environment at home and at college. They need to set goals, within their reach until they gain confidence and determination. They should re-examine their priorities, set clean goals and make specific plans to achieve what they desire. While ACADEMIC EXCELLENCE is our major thrust, the college is also devoted to prepare the students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant.

Our STAFF fruitfully employ two diverse strategies that are of Love and Logic to foster a positive learning environment for all our students. PARENTS need to devote quality time with their wards. As parents, we need you to develop a close rapport with the college and the teachers, in order to smoothen the ups and downs in the child's development.

M.GOPAL REDDY

Vice Principal

M.Sc., B.Ed (Maths)
15 years of Experience

Vice Principal's Message

Being in this institute for more than a decade as a Senior Lecturer in maths, I have always been passionate about teaching and enjoy the process of imparting knowledge to students. My teaching philosophy revolves around creating an learning environment that encourages critical thinking and problem solving skills. I believe that every student has the potential to succeed and its my responsibility to guide them towards their academic goals.

Education is a powerful tool that Empowers you to shape your own destiny, may you make the most of this privilege and create a future filled with accomplishments and happiness.

COLLEGE PROFILE

SRI MEDHAVI JUNIOR COLLEGE is a progressive college. Established in 2011, the college has a transformative ethos that shapes every member of the college community in enduring ways.

Sri Medhavi Junior College is Awarded as **Game Changers** by **Times of India**.

SMV is ISO 9001:2015 Certified Institution.

Students are at the heart of our learning community. The college's academic offerings and innovative programmes are planned to support and honour their voices and choices. Our faculty members receive the best of professional development opportunities to ensure that they are equipped to design not just lessons, but powerful learning experiences that are carefully personalized to meet the needs of every student.

Our classrooms invite students to learn collaboratively by pooling their ideas and thoughts. Discussion, dialogue and exploration are a vital part of every learning experience at the college. Questions, prompts and provocations drive learning throughout the college and ensure that students make meaningful connections and find opportunities to apply the concepts they explore independently.

The college has highly qualified lecturers with PG, NET/SET/BED with lot of experience and research publications to their credit and willing to take up new challenges. Our college prioritizes both Arts and Science group.

We are committed to provide trained and committed lectures with multi-dimensional qualities and professional competencies in the field of Education.

Event & Programms

- Events for the students reflects the college atmosphere.
- In our institute, encouragement for students participation is maximum for their multi-dimentional development.

Events organized are as follows

- Teachers day
- Guest lectures on enhancing vocabulary
- She team - lectures (Awareness)
- Debate competition
- Religious celebrations
- Field trip (Heritage)
- Science, Mathematics and commerce exhibition
- International womens day
- SMS Day (Sri Medhavi Students Day)

Parents teachers meeting

An institution can help the present generation to become successful only if its succeed in bringing parents and teachers on a common platform, for this parents interaction is arranged regularly. Suggestions of parents are highly appreciated.

Digital Education

Our college, Sri Medhavi Junior college is the first educational institution in India, to adopt the digital education in Intermediate level, Providing multiple courses through ICT, Digital education delivers various classes including IIT-JEE, NEET, EAMCET, IPE Classes and CA-foundation to have access to all the students at all time irrespective of their localities.

We feel digital education is a blessing to every child, our main motive is to deliver uniform quality of education to all the students irrespective of considering their backgrounds.

Digital Education : The innovative incorporation of modern technology and digital tools to artist the progress of teaching and learning.

Seeking education through the means of technology and digital devices.

Why digital education is prioritized by Sri Medhavi:-

- Students become smarter
- Unlimited information
- Smart classrooms
- Digital updated
- It makes students self-motivated
- Expanded learning opportunities
- Improves knowledge retention
- Usage of Artificial Intelligence
- Usage of Interactive Panel Boards

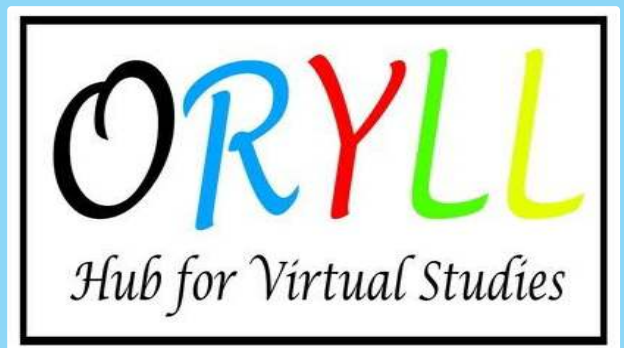

- The main advantage of digital education includes freedom for students to engage in learning at any place, anytime.
- Through technology the limitations of traditional teaching methods are dismantled opening the door endless educational opportunities for students.
- Sri Medhavi Junior College proudly collaborates with the tutorac academy as a digital partner which designs the programs and covers the core syllabus of all the indian education boards.
- Tutorac Academy : Quality education made accessible affordable tutorac's mission is to democratic fligh-quality education making it universally accessible and fairly affordable for all curious minds.
- Tutorac courses are immersive, cinematic and aided by technology and pedagogy drive methods.
- Dr. Mallikarjun is the Founder and CEO of tutorac, he holds a Ph.D in chemistry and worked as research scientist.
- Vinay is the founder and director of Tutorac he holds a degree in computer and management science and is an expert in business development, team building.
- At Tutorac, he uses his expertise to lead the product and operations.
- He's also a firm believer that high quality education should be accessible / affordable to all and he is manifesting his vision through Tutorac.

tutorac academy

Redefining Online Learning

-
- Each student receives a personal tablet offering to convenience of on-the-go learning, online classes feature engaging animation graphics, 3d videos, turn every lesson into an exciting adventure.
 - Sri Medhavi is associated with the digital partner which shares the content digitally to our students through tabs, Oryll-hub for Virtual studies, an Ed tech brand of Oryll Virago India private limited was founded in 2019, and has its operations all our India, Oryll provides smart online education with state-level, and also for competitive exams, Oryll collaborated with the best teachers from across India to deliver quality and smart online education to all our students.
 - We are proud to announce that Oryll as our associate partner, working together to bring 100% digital classes for young minds, this partnership aims to provide them with the opportunity to learn beyond the constraints of place and time, with the flexibility of digital education, you can learn at your own pace, making education personalized and accessible.

SMV-INFOAPP :

We Sri Medhavi Junior College proudly announces about unprecedented platform, an online application (app) where all the lecturers, parents, students and principal have access together to log-in.

It is an informative and interactive app. Where parents can have complete access about students information regarding online exams, weekend tests, unit tests, quarterly, evaluations and also about fee structure and fee due, fee payments parents can also suggest their feedbacks, remarks, complaints directly in the application and can have interaction technically.

Online Examination:

- In our campus, we also conduct online exams along with the offline exams, online exam is conducting a test online to measure the knowledge of participants / students on a given topic.
- Online exam gives immediate results and feedback for students.
- Minimizes chance of cheating.
- Highly secured.
- High scalability.

ONLINE EXAMINATION SYSTEM

E-Books:

An e-book is an electronic book is a non-editable text that is converted into a digital format and displayed read on an electric device. Such as tablet, such e-books are becoming popular because they are convenient.

The entric syllabus of all groups, IIT-JEE, NEET, EAMCET, CA-Foundation, IPE of all subject are provided in e-books format to all the students in their given tablets.

Seeking education through the means of technology and digital devices.

Why E-Books:

- Portable: An e-book enabled tablet is much more convenient to bring with you than carrying a bag of books.
- Easy Availability.
- Saves environment - eco friendly.
- Interactive learning with technology.
- Accessible anywhere, anytime.
- One device - many books - subjects.
- More capacity.

ACADEMIC PHILOSOPHY & PEDAGOGY

Defining your future

As a college that offers multiple curricula, SRI MEDHAVI JUNIOR COLLEGE overall academic philosophy is a seamless blend of best practices and informed approaches from across them to inspire in our students a lifelong love for learning.

At the heart of the college's academic philosophy is an unwavering commitment to learning that is student-centric. Our inquiry-based approach encourage students to identify their own learning goals, and take ownership of how they learn. Our facilitators are extensively trained both in-college, as well as through professional development workshops, to ensure that learning and teaching is both carefully and collaboratively planned to be informed by ongoing assessment.

Learning experiences are themselves designed to be stimulating, engaging and conceptually based. Students are actively inspired to research ideas, questions and make connections collaboratively, to what they already know using a wide range of skills and a problem-solving approach that helps make learning meaningful, applicable and challenging.

A global outlook underpins all learning at the college. Our diverse learning community inspires an ethos of international-mindedness, openness and curiosity for knowledge-systems and perspectives that are different. Resource persons, field trips, and experimentation encourage students to look at what they learn through the lenses of other perspectives.

A JEWEL IN OUR CROWN
